b) Treasurer

TP reported on the outcome of a visit to our treasurer VD. Due to a care commitment VD had decided to resign as treasurer and would pass all papers to TP. It was agreed that she should be thanked for reliable and efficient running of the Forum's financial business. TP offered to become an interim sole signatory to clear our business pending the election of a new treasurer and his offer was accepted by the meeting. IC was asked to draft an email to the bank with a copy of our minutes to confirm these decisions. Besides outstanding invoices for meetings held after our July quarterly meeting, IC is owed for refreshments and TP for payment of web hosting. IC to forward all invoices to TP.
